READY FOR OUR CLUB ROOMS!!!

"Victory belongs to the most persevering"
Napoleon Bonaparte

"The rewards for those who persevere far exceed the pain that must precede the victory"
Ted W Engstrom

We have 1.3 million reasons to smile after finding out that we are finally going to receive funding to build our long-awaited club rooms.

Thanks to Lotterywest (\$450,000) and Department of Sport and Recreation CSRFF funding (\$888,000), a 13 year dream is now becoming a reality.

"TEENAGE LIFESAVERS"

Just after passing their surf life saving course, our very own Elsa Rydstedt & Katie Giltrow used their skills in saving an 80 year old women on a beach in Rockingham.

"Girls, you make our Club proud"!!

Our resources are precious, so if anyone has any Club water safety rashies, caps, surf caps or training manuals, please return to the Club.

“EASTER FAMILY FUN DAY”

Thanks to all those who came down to the beach for our last official day of the Season. The kids had lots of FUN with all those “egg activities”.

We also had the Lifesaving Officer from Surf Life Saving WA do an unannounced compliance visit of our Patrol. **We achieved 100%.**

“Thanks to Georgie & Warwick Webb, together with ALL the Patrol Team for making our Club proud, not only for this day, but by keeping equipment, log books, etc. everything up to date”.

EASY FUNDRAISING

Mandurah Scooters needs rags for their workshop!!!!!!

If anyone has old t-shirts, towels, flannels, denims ie anything not nylon/polyester (slippery material) then Mandurah Scooters is willing to pay us for these.

Just start collecting these items and when you feel you have collected enough (& since we are not at the beach anymore), just drop off to either 75 Ronsard Dve or 14 Orestes St, San Remo.

Whether you have a few items or loads, it all helps towards adding to the Club funds.

It's that EASY!!
